

# ST CUTHBERT'S PREMISES

## LAYOUT & SEATING

**The church** can accommodate up to 500 people in the sanctuary area; and 250 in the gallery making a total seating capacity of 750. For public performances without a restricted view, the authorised capacity is 650 including performers.

**The Lammermuir Hall** is a large flexible area leading into the church which serves as a “crushbar” for concert goers or as a meeting room for other groups.

The total seating capacity which can be laid out in many different ways is up to 120, (80 around tables). Part of the hall can be used separately as a coffee lounge.

When laid out with tables, the hall provides an attractive and readily accessible space for exhibitions, display of goods and for social gatherings. Audio-visual equipment is also available.

**The Lindisfarne Room** has a raised platform at one end and the seating can be used flexibly for smaller concerts, lectures, corporate hospitality and wedding receptions.

Seating capacity is up to 70 people, (50 around tables).

Audio-visual equipment is also available.

---

## FIRE ESCAPE ROUTES

For your event, the Church Officer will have unlocked all exit doors and checked the emergency lighting system. You must liaise with him to arrange to brief your stewards/front of house staff as to procedures to be used in the event of fire or an emergency requiring evacuation of the building.

**APRIL 2010**
